

CARRY SPEED

2018 EDITION

The most advanced strap system for your camera.

Designed to be worn across the body, it allows for quick and easy access to your camera.

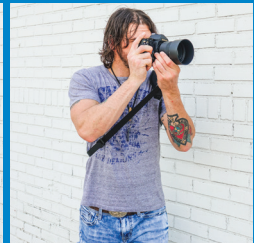

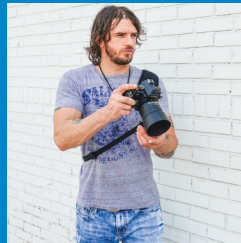

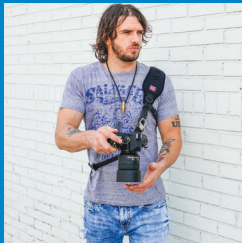

The slim shoulder pad gives you a comfortable and convenient carrying solution for your camera.

SLIM-D

**SLIM SHOULDER PAD
EXTREME COMFORT
FRONT ADJUSTING
SECURE CONNECTION**

AWARD WINNING DESIGN

USING THE SLIM-D

COMFORT

The comfortable ultra slim shoulder pad is contoured to fit the curve of your shoulder. The textured pattern on the underside of the pad is great for airflow.

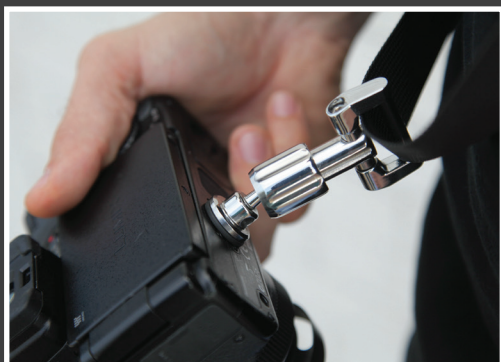

FLEXIBILITY

The front adjust slider allows you to quickly adjust the length of the strap within seconds.

SPEED

The Slim-D strap keeps your camera by your side for quick access to capture the shot.

SECURITY

The stainless steel ball head connector gives you a quick and secure connection connection between the camera and the strap.

D1 BALLHEAD

The stainless steel D1 Ballhead ensures a secure connection between the camera and the strap.

USING THE BALLHEAD CONNECTOR

1. Pull up and rotate the cuff to reveal the ball socket

1. Pull up and rotate the cuff to reveal the ball socket

2. Align the ball into the socket

3. Pull up and rotate cuff to lock it into place
